PROFILE

B.Tech CSE student at IIMT University, Greater Noida, with a strong interest in web development and artificial intelligence.

I enjoy building practical projects, designing clean user interfaces, and learning by experimenting with modern tools and technologies.

Looking forward to opportunities to collaborate, gain experience, and keep improving my development skills.

FEATURED PROJECTS

LUMORA Image Gallery

Responsive image gallery with image uploads, multiple themes, search, category filters, lightbox navigation, and liquid-glass styling.

Livedemo:dhairyakumar401-arch.github.io/CodeAlpha_ImageGallery/
GitHub: github.com/dhairyakumar401-arch/CodeAlpha_ImageGallery

LUMORA MATH – Calculator

Calculator project with five switchable color themes, responsive layout, and a polished glassmorphism interface.

Livedemo:dhairyakumar401-arch.github.io/CodeAlpha_Calculator/
GitHub: github.com/dhairyakumar401-arch/CodeAlpha_Calculator
